Regional Medical Center**
Our Family Caring for Yours

Greetings Parents & Juniors,

Desert Lakes award winning junior camps are back for the summer and ready to teach juniors the game of golf. Jason and staff have over 25 years of experience teaching Junior Golf and have introduced thousands of youngsters to the great game of golf as well as developed hundreds of high school and college players.

General Details of Our Programs:

Our program is offered to children from 6 to 14 years of age. DLJGC is a fun interactive way to learn a great game. All programs in the DLJGC include a component of life skills & character skills as well as fitness. An "introduction to golf" is our main focus. Students will learn the junior fundamentals of the golf swing so they will be able to start practicing and playing. Students will be involved in running, throwing and other athletic movements to better help learn the game of golf.

DLJGC Junior Golf Camp - Tuition \$100.00

The Junior Camp is designed to introduce juniors to the game of golf and prepares them for individual lessons if they want more golf throughout the season. Camp limited to the first 15 students in each session. First come, first serve.

All Students receive 6 hours of professional instruction in a fun group format.

***Schedule is on reverse side and registration form is attached.
spots limited, get signed up TODAY!!***
